The candle light flickers and suddenly fades away.
In the after-glow, we see shadows; then, a beam
of light — upon our teachers, friends, and activities.
The candle dims and the light will soon be but a
memory, a memory warm and bright — forever
illuminating our minds and hearts.

We perform our final act as the dim light fades;
we light the next candle of life. This is the light of
our tomorrows, and its radiant beam becomes the
dawn of our future.

Inscribed in our hearts is a common goal achieved
only by our unyielding efforts to advance. In the
light of these golden days are the shadows of fond
memories and great anticipations.

May this Talon symbolize and remind us of our
striving to make the future sublime, while reflecting
the brightest rays of our days at Edison Township
High School.

"Years

"Years of Service" —to Mrs. Schmidt these words meant a dedication to her profession. Her name might not go down in history as a scientist, but her life, in many respects, was devoted to establishing a nucleus for future scientists.

By way of inductive experiment more and more scientific knowledge was opened to the world. It would not be inappropriate to say that Mrs. Schmidt opened that way to the youth of Edison Township. In teaching science Mrs. Schmidt kept abreast of the evolution of the times. She encouraged her pupils to explore, to ask questions, and to develop their own ideas.

Over a long span of years, Mrs. Schmidt, not only was dedicated to the field of science, but, she also, gave unselfishly of her time in promoting and sponsoring many activities enjoyed by the students.

May the *Forty Years* she gave to the education of Youth be as memorable to her as they were rewarding to the Youth she served.

To you — Mrs. Schmidt — We, the Student Body and Faculty, hope that in your retirement you will find a life as full and rich as the one you left at Edison Township High School.

of Service”

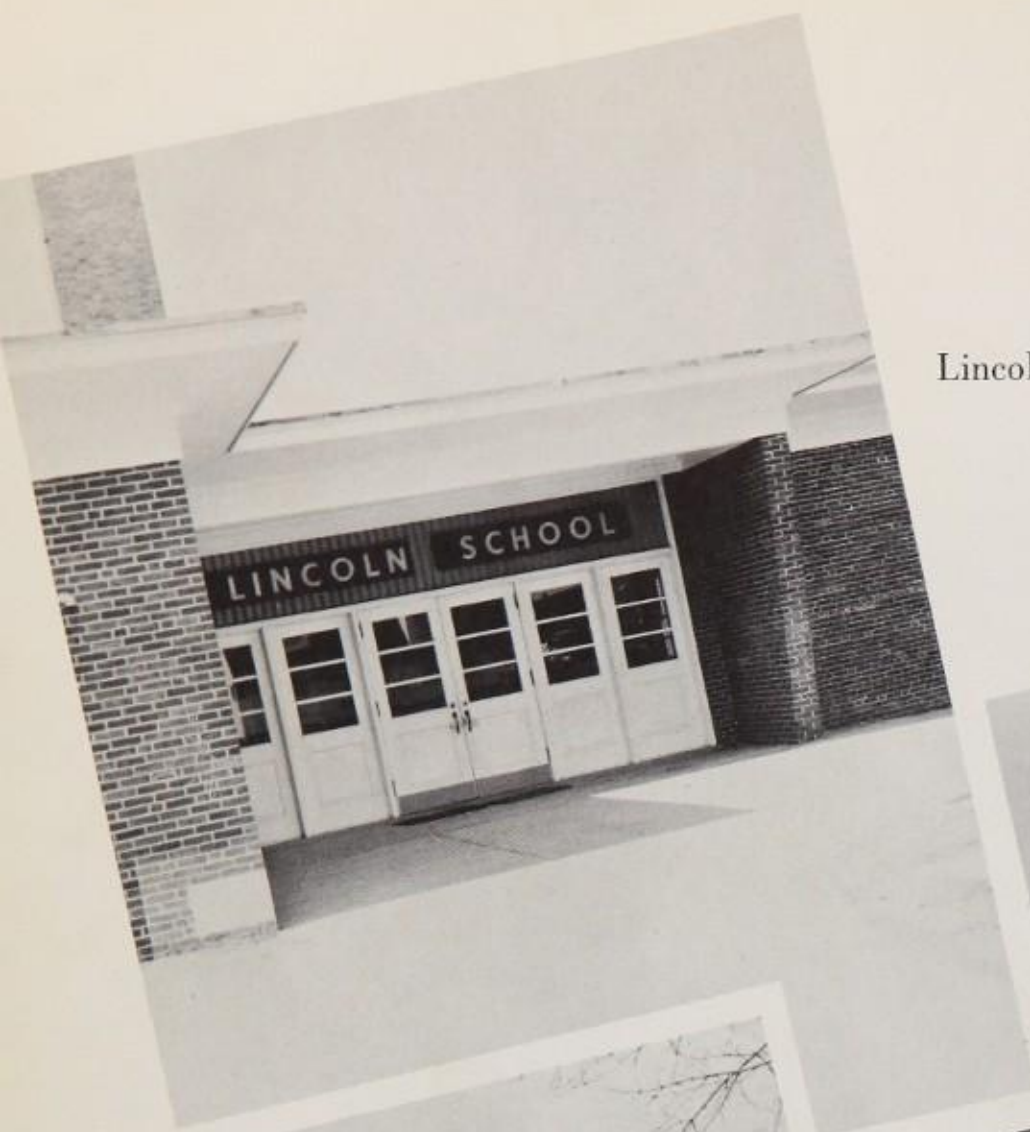

Friend, public servant, administrator, husband, and father. Each title denotes almost a life time of dedication and service. Yet, the lifetime which has spanned seventy years has been a full and rewarding one for our Board Secretary, John J. Anderson, who has retired from the post which he has served so well for three decades. However, this does not mean retirement from an abiding interest in the civic affairs of Edison which began many years ago when he marched off to foreign duty in the First World War; but, rather, a retirement which means a little more time for the treasures that he holds closest — his home and family, especially his grandchildren.

Mr. Anderson played a king sized role in the development and enormous growth of Edison, which, a few short years ago, was one of the smallest county districts with a truly rural atmosphere. It is tribute enough to say that his foresight, his counsel, his wisdom, and his fortitude in directing the business affairs of the Board have brought him recognition from far and wide, and he had lent a dignity to school business affairs that is unequaled or unmatched anywhere. His motto is a simple one: "The best for the children in school at a fair price that everyone can afford".

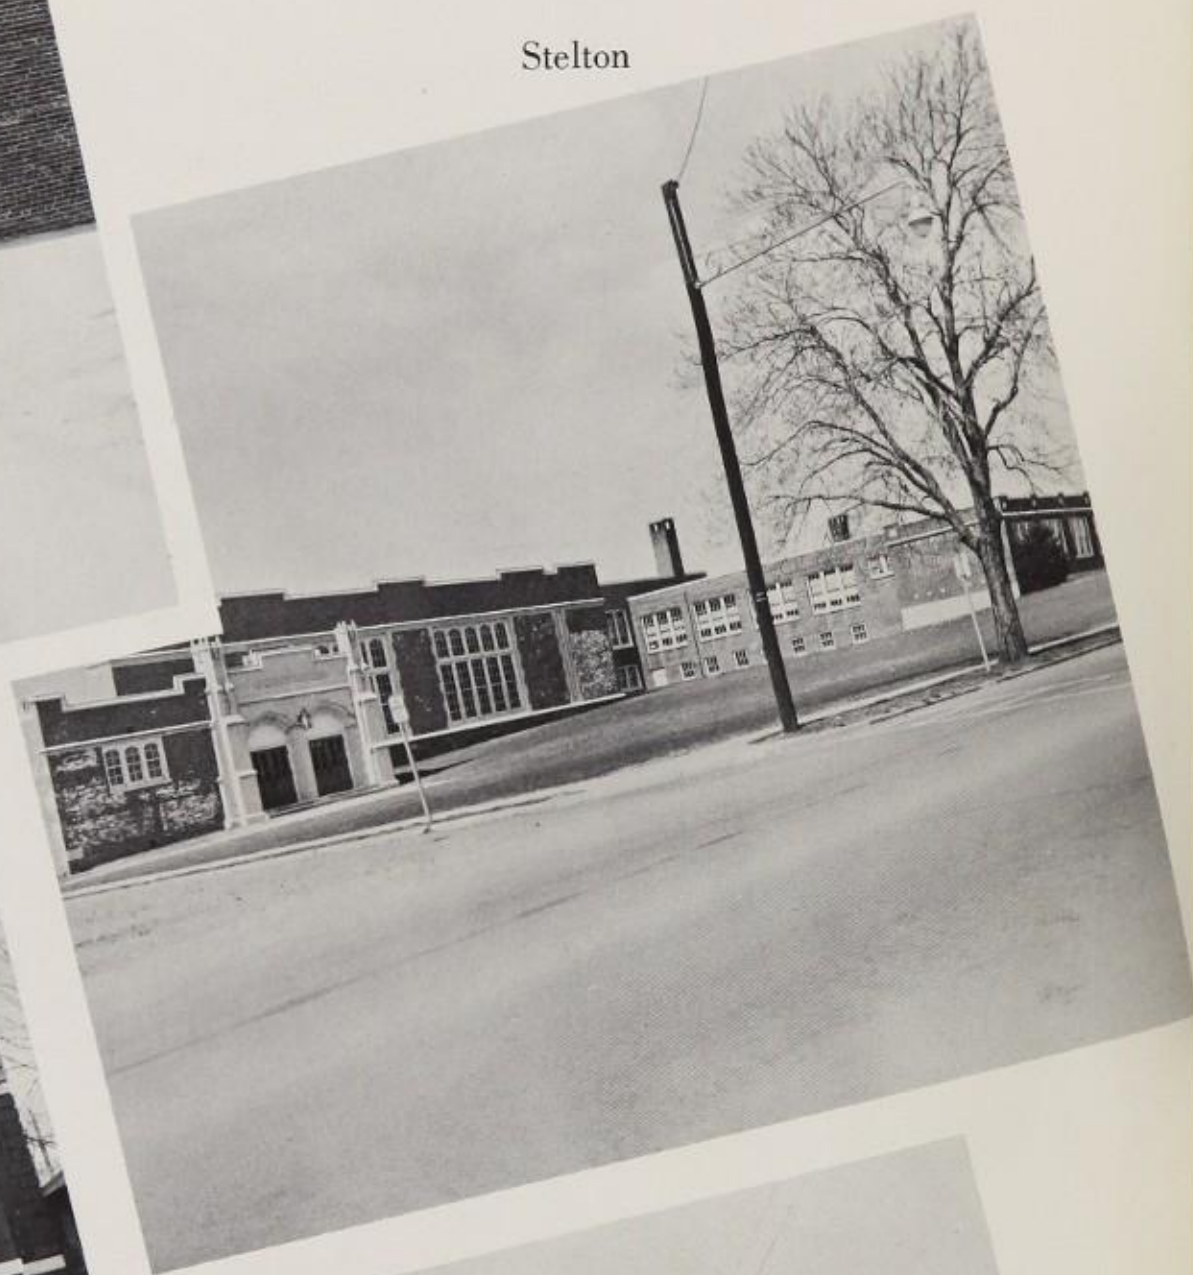

We all wish Mr. Anderson well in the days ahead. We hope that he will remain no stranger to the Edison schools, and that he will be as forthright and watchful as ever. We hope that God will bless Mr. and Mrs. Anderson that they may enjoy many years of good health and happiness.

TO THE MEMBERS OF THE CLASS OF 1963:

As you leave us today, you have our best wishes. If your course takes you to college or other schooling; if you enter military service or start to work, remember that only your determination and hard work will make possible the attainment of the goals which you have set for yourselves.

We are proud of you and your many achievements at Edison High. May God bless you today and in the years ahead.

Sincerely yours,

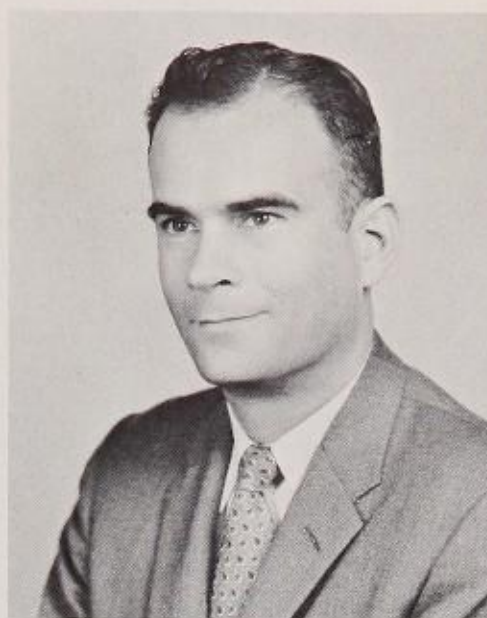

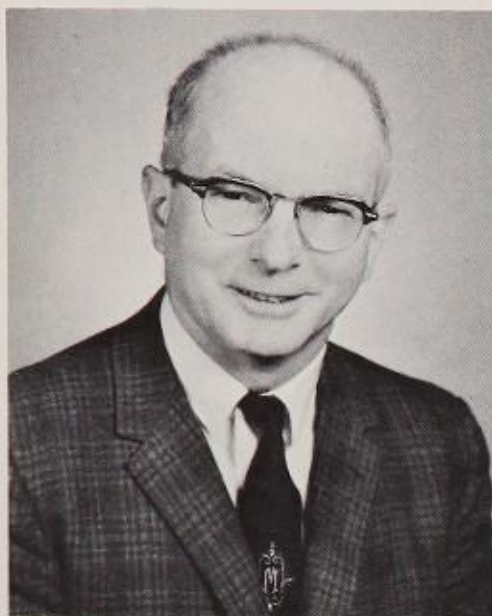

Steward A. Schoder, Jr.

Tribute:

The Senior Class pays tribute to a friend. Dr. Hansen's fifty years of service endeared him to students, schools, and community. As he moves his link of service to other township schools the class wishes him continued success, health, and happiness.

Dr. Edward K. Hansen

SENIOR CLASS OFFICERS

Seated, Left to Right: Mrs. Gioffre, Advisor; Robert Holmes, President; Anna Grace Pidoto, Reporter; Mr. Wimmer, Advisor; *Standing,* James Mc Kennon, Vice President; Katherine Fisher, Treasurer; Margaret Vreeland, Secretary; George Moken, Activities Coordinator;

We have completed four "seasons" in our life. They were seasons with much variance in weather. We saw clouds, we saw leaves, and we saw blue skies. Together we faced each challenge and learned from its outcome.

In our Freshman year we forecast the three years ahead. We saw goals of upperclassmen we knew we would someday want. It was a season of spring during which we were growing to great heights.

As Sophomores we were gradually tipping the horizon. A light was formed for us. Our abilities as high school students were tested — we knew our standing. We were "falling" into our places in life. We were more definite in our plans.

Summer was our Junior Year. All happy and proud were we. We were free in thought and dreams. We were like vernal showers waiting for the sunshine.

Three seasons passed and we were Seniors. A white blanket of snow led from one side of a bridge to the other side. Each day and month we took a step. We all knew the imprint would be our last link with high school. We grew nearer to the other side so quickly.

Beyond this bridge was our future; no one knew his place except that the world, with outstretched arms, was there to greet each of us. And we walked off into that great, wide, wonderful world.

With the years, there will be many more seasons, but the "four seasons" of our high school days will be the cherished memories of the Class of 1963.

*"A night of MEMORIES and sighs
We consecrate to thee."*

Building — With the loss of last year's senior members of the team, Edison has entered a building stage with the hope of strengthening the line and gathering experience. Considering the handicap of line weakness, Edison's record of 2-6-1 is not bad. Although losing six games, the Edison eleven tied a strong Ewing High, topped hopeful South River, and scored a very convincing 34-9 victory over St. Peter's High.

Our only candidate for the All-County team this year was co-captain Mike Krychowecky. Mike, who played left guard, attained a spot on the second string All-County team. Our two most outstanding tackles proved to be Bob Oros and Gary Kubinak. While Bob opened holes in the left side of the opponent's line, Gary was busy anchoring the right side.

Although the eleven senior members of our grid team fought with all their power and spirit, it could not be expected that this year's record would compare to the outstanding one of the class of 1962. It is evident, though, that next year's team will profit from the hard work of the 1963 team and go on to a winning season.

With only senior, Rich Jobbins, in the lineup, the Eagle grapplers did well in staying at the .500 mark with 5 wins and 5 losses. When tournament results were counted, this year's squad had reached heights never before scaled by Edison's matmen.

Leading the way was 148-lb., Paul Padlak, who took 18 straight matches before losing in the finals at Rutgers to state champion Lee Wagner from Newton H.S.

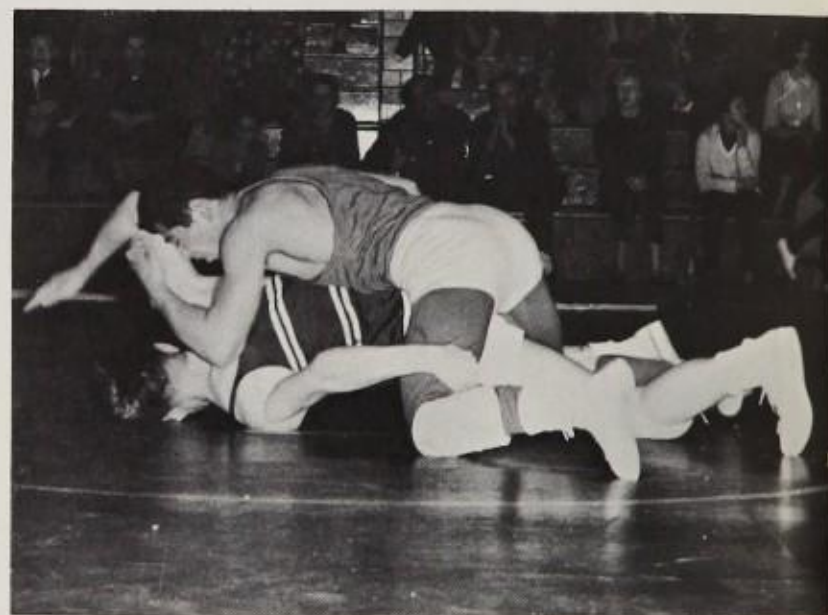

Appearing before a standing-room-only crowd of 2,500, Paul came back to win his consolation bout and finish 3rd in the state. Next year Paul will be defending Region III and District VIII champion.

Also returning will be Edison's two other District VIII titlists, Steve Povalac (136 lbs.) and Ed Tomkiewicz (168 lbs.). It took outstanding opponents to oust Povalac and Tomkiewicz from the Regional Tourney; Steve losing by one point to Washington's Kerr—the eventual state runner-up—and Ed dropping a decision to Palmer from Kackattstown.

Paul, Steve and Ed also copped titles in the annual Middlesex County tournament. Consistent winners for the Eagles were Steve Froggett (141 lbs.) and many other matmen who saw varsity action during the year.

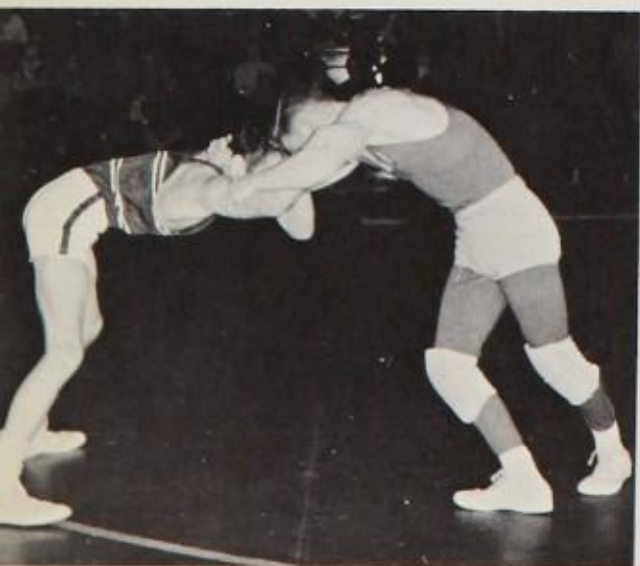

The junior varsity, led by 98 lb. Dan O'Neil and heavyweight, Rodney Carter, at each end of the lineup, finished with a 7-3 record.

High points of the dual meet season were 46-8 rout of Woodbridge, and the exciting "near-miss" losses to District champ Piscataway and County champ Middlesex.

Edison Cagers come through

"Otis Alexander"

In only his second year of coaching, the Eagle Varsity Coach Coward organized a predominantly junior squad into a winning combination which finished its regular season at 11-11. This is particularly encouraging since the Eagles travelled in fast company.

The Eagles showed right from the start that they would be tough, downing Highland Park, possessor of an 18-3 regular season record, 51-47 in overtime. They then went on to take runner-up laurels in the County's Christmas Festival Tournament. Only an outbreak of extremely close losses kept the squad from a more sensational season.

This season not only marked their first winning season and first tournament honors, but also the first Alumni Contest, won by the Varsity, and first participation in the State Tournament against a strong Trenton team.

Led by senior captain Lou Capella and big Fred Pfeiffer the Edison squad threw scares into every opponent except powerful Woodbridge. Prospects for the squad should be better next year—led by Otis Alexander, Rich Davis, and Ron Hass. Good Luck to the 63-64 squad!

Academy of Science

Once a month the Academy of Science meets to inspire its members with a fuller appreciation for the ideals of science.

Under the direction of Mr. Bohn, Mrs. Gross, and Mr. Moretti, the Academy claims the title of the largest and oldest club of Edison High. This is the first year in which membership was open to sophomores, thus boosting the roll to 157.

The Academy of Science affords the opportunity to develop scientific knowledge to a theoretical and scientific end and fosters professional pride in the sciences.

Harolyn,
the very best of
luck in the years
to come. Stay as nice
as you and Jake
and Charlie.
Love you,
Harry

Harolyn,
lots of luck
to a real sweet
girl. Maryanne
